## Course Overview

Over the past several decades, the Human Resource profession has undergone significant transformation in both its structure and its strategic contribution to organizations.

HR has increasingly adopted best practices from fields such as marketing, quality management, and information systems to enhance its effectiveness and alignment with organizational goals.

One of the most influential developments has been the evolution of the HR operating model.

At the center of this transformation is the role of the Human Resource Business Partner (HRBP).

As the most strategic member of the HR team, the HRBP is typically an experienced generalist who must also possess an in depth understanding of the business its priorities, challenges, and objectives and how HR can drive performance and success.

## Course Objectives

- Understand the evolution of the HR function and explore the modern context and role of the HR Business Partner in the 21st century.
- Learn key HR Business Partner models, conduct gap analysis, and identify steps to become more strategic and aligned with business objectives.
- Build the essential foundations of effective business partnering, including rapport-building, empathy, trust, and personal and functional credibility.
- Navigate organizational politics and influence leaders to gain commitment and secure buy-in.
- Develop strong consulting capabilities by understanding consulting roles, styles, and a structured consulting process.
- Become a Change Champion by managing and facilitating change as a core responsibility of the HR Business Partner role.
- Partner with leaders, teams, and stakeholders to drive and sustain successful change initiatives.
- Leverage HR analytics to strengthen the impact and strategic contribution of the HR Business Partner.
